##### 3. Principal's Report on school items

a.) MOY data- Mr. King went through MOY data from each grade level. In 2021 we were at 64% at or above grade level. In 2022 we are at 67% at or above grade level. We feel we are heading in the right direction.

We discussed the school assessment that was created for each grade level to gather some more data. We would like to see it continue but maybe with some tweaks so it isn't such a burden on teachers to give. More discussion on this when we decide our goals for next year to see if it will be beneficial.

##### 4. Learning First Training

##### 5. Trust Lands Items, Budget, or Updates

a.) Update on Budget- We reviewed the budget. We have a surplus in TSSA that Mr. King is going to look into. All other budgets look good. We received \$13,959 to increase STEM equity at our school. A committee will decide what to spend that money on after input from teachers.

b.) Discuss Next Year Budget -no budget for next year yet.

c.) Review Goals & Discuss Next Year's Goals- Rebecca will email this year's goals out to council for us to review and we will have an email discussion about potential goals for next year.
